REFERENCE LETTER

We , as İGA International Airport /İstanbul/TURKEY, have purchased 4 (Four) units in 2018 November , rechargeable battery powered , MOBILE LIGHT BALLONS from SORTI MAKINA LTD, and using it in "Airport Rescue and Fire Fighting" department in any case for our light need , at every place in our Airport.

We have believed and saw that, Sorti Makina has organised the Product Training Session, and can easily handle all products' Aftersales processes easily.

We honestly can refer these LIGHT BALLOONS and Sorti Makina Ltd. for your supplies.
